CIRCUIT COURT
CIVIL BRANCH 15

DANE COUNTY

In the Matter of the Liquidation of:

Northwestern National Insurance
Company of Milwaukee,
c/o Office of the Commissioner of Insurance

Case No.: 2019CV001209

Code No.: 30703

NOTICE OF DENIAL OF CLAIMS

The Wisconsin Office of the Commissioner of Insurance of the State of Wisconsin, as the Court Appointed Liquidator of Northwestern National Insurance Company of Milwaukee, provides this notice to the Liquidation Court of the mailing of denial of filed Proof of Claims (POCs). The letters will be sent by August 24, 2021.

Attached as Exhibit A is a letter sent by first class mail to the address shown in the POCs pursuant to Wisconsin Statute § 645.65 to all POCs classified by the Liquidator as Class Three claims pursuant to Wisconsin Statute § 645.68(3).

Attached as Exhibit B is a letter sent by first class mail to the address shown in the POCs pursuant to Wisconsin Statute § 645.65 to all POCs classified by the Liquidator as Class Four claims pursuant to Wisconsin Statute § 645.68(4).

Attached as Exhibit C is a letter sent by first class mail to the address shown in the POCs pursuant to Wisconsin Statute § 645.65 to all POCs classified by the Liquidator as Class Five claims pursuant to Wisconsin Statute § 645.68(5).

Attached as Exhibit D is a letter sent by first class mail to the address shown in the POCs pursuant to Wisconsin Statute § 645.65 to all POCs classified by the Liquidator as Late Filed claims pursuant to Wisconsin Statute § 645.68(8)(d).

Attached as Exhibit E is a chart that classifies each POC that has been filed, with a short summary of the claim, which has received a letter pursuant to Wisconsin Statute § 645.71.

The Liquidator has sought all available assets justifying the expenses of collection and has determined that no filed POCs will be paid in whole.

Attachments A, B, C, and D have been mailed pursuant to Wisconsin Statute § 645.68, which states in part, *“When a claim is denied in whole or in part by the liquidator, written notice of the determination and of the right to object shall be given promptly to the claimant.”*

The denial of timely filed POCs is based on the lack of claims-paying resources available to the Liquidator and is not a determination on the merits of any POC.

Pursuant to Wisconsin Statute § 645.65, all POCs that have been denied have the right to object to the denial of claims within thirty days of the mailing of the notice. If an objection is filed, the Liquidator will ask the court for a hearing as soon as practicable and will give notice of the hearing date and time to the objector.

If any claims-paying resources are available after administrative costs are paid, the Liquidator will recommend to the court, when seeking the final order to close the Liquidation, to split the remaining claims-paying resources equally among all Class Three claims that have been timely filed, not to exceed the total value of a filed claim. This proposal is based on the Liquidator’s determination that it will cost more in additional administrative costs than leftover claims-paying resources to make a determination regarding the merits or class of each claim under Wisconsin Statute § 645.68 order of distribution.
